ArchitectureDenver

Denver, CO

Design architect

Founded in 1986, ArchitectureDenver is a small, regionally focused design practice intent on exploring qualities in the design process that allows its work to transcend the perceptions of architecture found in today's society. In addition to architecture, the firm's practice includes master planning urban design, historic preservation and interior architecture.

QPK Design
Syracuse, NY
Design Architect

Founded in 1958, QPK Design is a multi-disciplined A/E firm of 70 that includes architects, interior designers and landscape architects. QPK is licensed in 15 states, with a NCARB certification. QPK Partners are, and have been, regional building owners and developers.

Urban Designers and Landscape Architects

Civitas, Inc.
Denver, CO

Civitas was founded in 1984 and specializes in urban design, planning and landscape architecture. It has a group of interdisciplinary professionals on staff including urban designers, architects, landscape architects, city planners, graphic designers and construction managers. Projects include the Stapleton Redevelopment Plan, Auraria Campus/Lawrence Street Mall, Larimer Square/Bull and Bear Courtyard and Denver International Airport Landscape Master Plan.

EDAW
Denver, CO

EDAW is consistently ranked among the world's leading design firms, and boasts hundreds of client and industry awards. Over the course of its 65-year history, its principals have embraced an action-oriented philosophy that values the relationship between people and their environment, and have taken into account a project's impact on its investors, community and setting.

Graphic Identity

Ellen Bruss Design
Denver, CO

Ellen Bruss Design (EBD) is a seven-person graphic design firm that provides creative solution to its clients' design issues. From concept to delivery, EBD specializes in corporate identities, marketing collateral, environmental design and web graphics. Nationally recognized for its innovative designs, EBD has received 35 awards in the last five years and was published in six books.

Sussman/Prejza and Company, Inc.
Los Angeles, CA

Sussman/Prejza and Company is a 35-person firm specializing in large-scale projects that challenge the traditional boundaries of graphic design. Design concepts seek to strengthen and enliven the uniqueness of each project and present a branded, unified look to the observer. Clients include the Cities of Beverly Hills and Santa Monica, Euro Disney in France, Universal City Walk and the Oviedo Marketplace in Florida.
